LANGHAM HOTEL AUCKLAND - CARPARKING

The nearest car park is the **Tournament Carpark Building**, which is located on Liverpool Street at the back of the Hotel, please note that this Carpark is 'subject to availability'. It is also by far the cheapest.

This is actually adjoined to the Hotel and will enable you to gain direct access into the Lobby via the lifts.

Valet parking is also available at \$30.00 per car at the main entrance at the front of the Hotel; please note that this is also subject to availability.

1. **Tournament Carpark on Liverpool Street, entry off Liverpool Street**
2. **Wilson's Carpark - Q Central 133, entry off City Road**
3. **Auckland City Council Carpark on Mercury Lane, entry off Mercury Lane**

RECOMMENDED. Tournament Parking operates a carpark, which is adjoined to the Hotel - the entrance is off Liverpool Street at the rear of the Hotel. Upon entry to this carpark **ONLY** you will receive a ticket, hold on to this ticket and when you go into the conference function room swap this ticket for a 'discount ticket'.

You will still need to put this 'discount ticket' in the ticket machine on the ground floor by the lifts and pay \$5.00 to receive another ticket that will allow you to exit from the carpark. You will only need to pay \$5.00 for the entire time.
